

Steps for Uploading B.Sc. Thesis

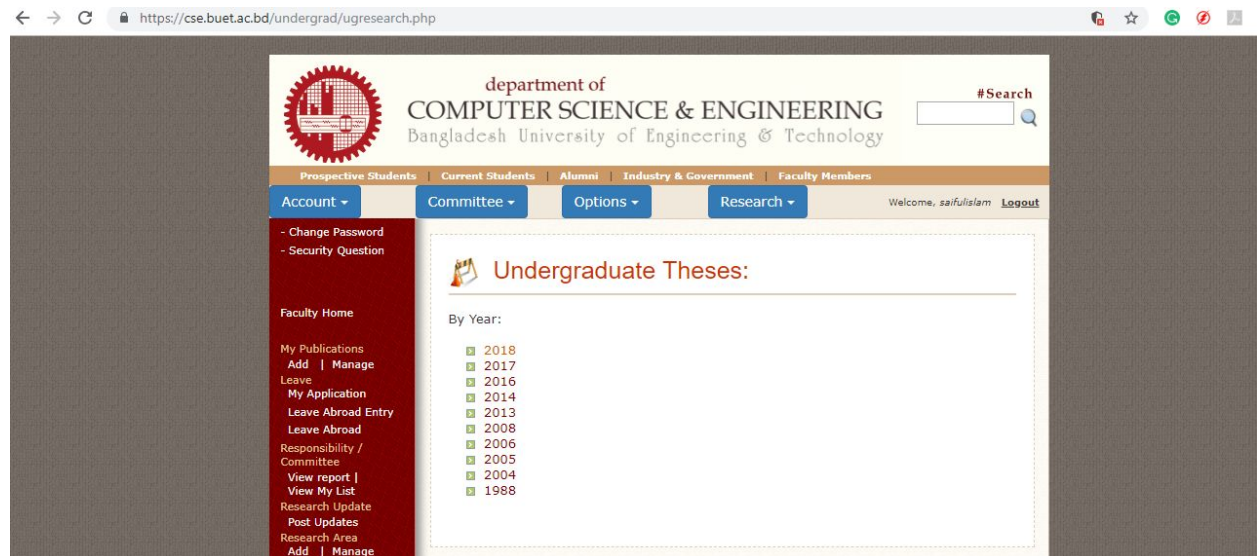

1. At first go to CSE department website (<http://cse.buet.ac.bd>) and login by your department Credential.

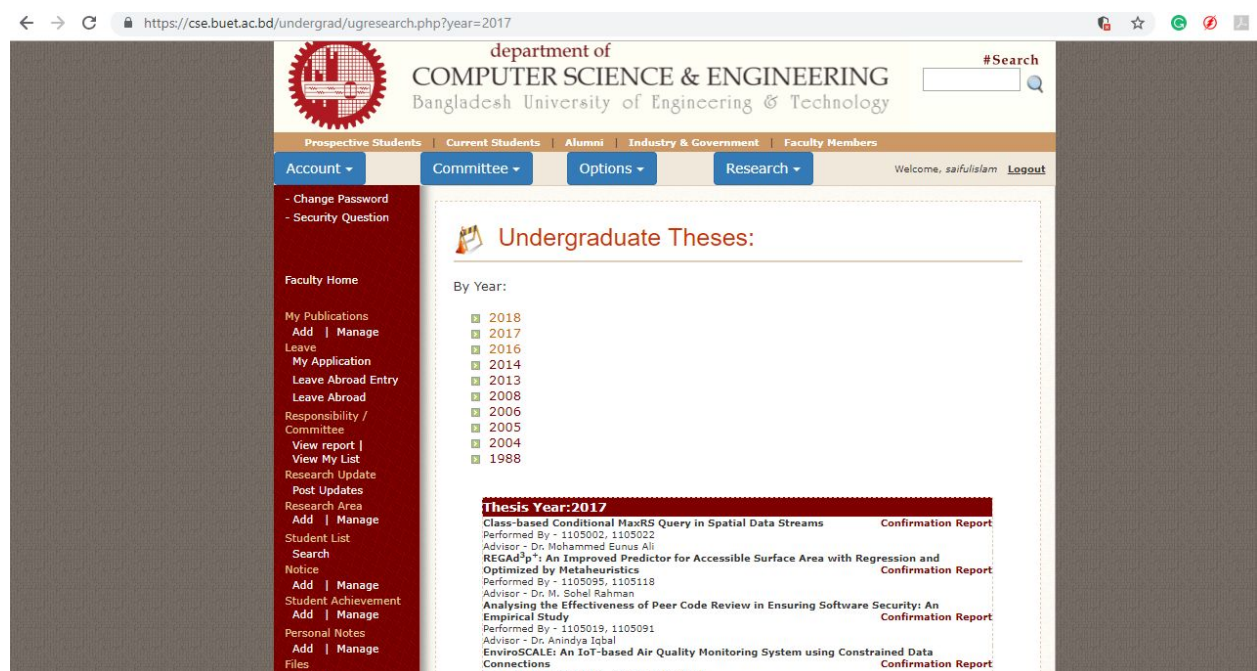

2. Go to this link: http://cse.buet.ac.bd/thesis_add/

The screenshot displays the 'L-4 T-2 Thesis Submission' form. At the top right, a link 'Instruction can be found here' is provided. The form contains several input fields: 'Thesis Title' with a placeholder 'Give thesis title', 'Supervisor' with a dropdown menu showing 'Select one', and 'Thesis Date' with the value '2018-10-14'. Below these is a large text area for 'Thesis Abstract'. Further down, 'Thesis Type' is set to 'Undergraduate' via a dropdown, and 'Submitted By' is 'saifulislam'. There are empty fields for 'Thesis Partner1' and 'Thesis Partner2'. At the bottom, a section for 'Browse thesis file (pdf file only, max size 15MB)' includes a 'Choose File' button and the text 'No file chosen'. A blue 'Submit' button is located at the bottom right of the form.

3. Fill up all mandatory fields and upload your thesis file as pdf (file size should not be more than 15MB) and click submit. After submitting you will get the following page.

4. Here, click on the year of your thesis. After clicking your thesis year, you can see a list of thesis where your thesis should also appear.

6. Then click ‘Confirmation Report’ of your thesis and you will get the following confirmation page.
